

## THIRD ANNUAL HERO AWARDS PRESENTED BY

Please join us for a gala fundraising dinner to recognize and honor the impact animals have on our lives through truly heroic efforts of service or personal survival. These animals may have acted to save the life of a person, performed services within the community, or have overcome their own devastating circumstances to survive against all odds and thrive. This year we will also honor a special "Human Hero," someone who has gone above and beyond the call of duty to help homeless animals in our community. We think these heroes are **"Simply the Best"** and hope you will help us honor them on this special night!

All proceeds from the Hero Awards will be used to support the life-saving programs of Maricopa County Animal Care & Control.

Formed in 2002, FACCs – Friends of Animal Care & Control is a 501(c)(3) non-profit organization. Our mission is to end euthanasia of healthy and adoptable dogs and cats in our community by raising funds to support the special programs of Maricopa County Animal Care & Control. AC&C is a full service animal welfare agency offering shelter, adoptions, field services, licensing and education programs. The mission of AC&C is to promote and protect the health, safety, and welfare of people and pets in Maricopa County.

### DID YOU KNOW THAT AC&C...

- Is one of the largest animal control programs in the United States and rescues over 60,000 animals a year
- Serves 24 of the fastest growing cities and towns in the country — home to 3.4 million residents and their pets
- Has been able to reduce Maricopa County's euthanasia rate by 50% to 8 euthanasias per 1,000 residents through its very aggressive and innovative spay & neuter and adoption programs.
